

## Antigen Self-Tests during your stay on Campus

**During your stay at DESY perform an antigen-self-test every day. In case you get a positive self-**

### **test result:**

- Avoid any contacts and inform hostel (hostel@desy.de) and User Office (door@desy.de, 89982304, 89982368) as well as your colleagues and beamline staff.
- A second official antigen test must be arranged immediately. When going for testing wear a FFP2 Mask and avoid contacts.
- Persons without symptoms can have this second test carried out at one of the test centres. Some test centers are shown in this map:  
<https://www.hamburg.de/corona-schnelltest/>
- Persons showing typical symptoms of a Corona infection book an appointment online via <https://eterminservice.de/terminservice> or make an appointment by telephone via 116 117.

### **If your second test is positive:**

- After receiving a second positive test result, there is an obligation to isolate for 5 days.
- After 5 days the official isolation ends (the day of the official test result is day 0). If you still have symptoms, it is strongly recommended that you continue to test yourself daily with a high-quality test and isolate yourself as long as the test result is positive.
- Whenever you have to give contact details, do not only give your private address but also DESY hostel address with room number (telephone number is 8998 90xxxx, where xxxx is the room number) in case somebody has to contact you.

Deutsches Elektronen-Synchrotron DESY  
DESY Hostel (room XXX)  
Notkestraße 85  
D-22607 Hamburg

### **FOOD during quarantine:**

During quarantine, you can stay in the Hostel. You will probably be asked to change the room. Food will be provided by DESY caterer Alsterfood, but has to be ordered by yourself via email to

[desy.hamburg@alsterfood.de](mailto:desy.hamburg@alsterfood.de)

Contact the caterer as soon as possible, they will not be available after 15:00 in the afternoon. You can choose from the Menu <https://desy.myalsterfood.de/>, send information about food restriction etc.

Hostel/User office will help if necessary.
